

The Originators 2026 Spring tour stage plan

VOCALS

- Anne uses her own Shure wireless microphone
- Ilse, Daan use their own microphone
- Simon has his own presentation microphone

HORNS

- Trumpet has a clip on Shure Beta 98, XLR with phantom power required
- Tenor saxophone uses a DPA microphone with a sSennheiser wireless system, XLR output
- Baritone saxophone uses a DPA microphone with a Sennheiser wireless system, XLR output

MISC

- Drummer is right handed

If possible, the bass and guitar player will be on a riser. The band will provide two 1m x 1m risers for this purpose

We are a large band and we realize that sometimes not all we ask for is necessary or/and not all can be arranged. We understand this and together we will make things work :-)
